

## Put in a Club Logo

The Club Logo can be created in the GMS in the Organisation profile under Organisation details.  
Just upload your Club Logo there.

The Club Logo on the website can be copied from the GMS logo or a different Logo can be uploaded.

On the home page of the website scroll to the bottom of the page and click on 'Sign in'. At the top left of the page click on 'Dashboard'. The website editor will open.

Click on 'Design' option in the left hand menu.

Click on 'Logo'.

You can either upload a logo here, Choose file, click on 'Upload'

OR

Click on 'Update from GMS'.
